

# Admission Procedure

## Steps to Apply

- Step 1: Schedule for date of interview and admission test is announced by the school.
- Step 2: An oral and written test is conducted as per schedule.
- Step 3: A child must first clear the written test before qualifying for interview. Written test is not applicable for pre-school.
- Step 4: The child and parents are interviewed by the School Head and possibly attending staff members.
- Step 5: If the child clears the admission test and interview, the admission fee invoice is submitted at school to complete the process.

## Registration

Deposit the fee at the designated bank or school along with the complete registration form.

Online registration is available at: [www.educators.edu.pk/online-registration.php](http://www.educators.edu.pk/online-registration.php)

## Admission Test Details

| Program                          | Test Format                                                                    |
